### Chapter 1 by SaintSayaka

Your career as an illustrious fashion reporter tends to take you across the globe, but this, this is surely your strangest job yet.

On the one hand, you never knew that lumberjacks had such excellent skin care techniques.

### Chapter 2 by changes

On the other hand, you don't know if you can type a whole article on Lumber Jack Lotion. You have been to London, Paris, Berlin, you name it. You're on a first-name basis with Nina Garcia, and you get invited to parties with hosts like Celine Dion, so it should have been no big surprise when someone approached you at a party, and tells you that they are a huge fan. Now the question is, how on earth did they trick you into agreeing to staying at Lumberjack Camp for the summer, so you can write a review on it?

### Chapter 3 by SaintSayaka

It was that damn secretary you hired who made the arrangements for the trip. Maybe this was their idea of a sick joke.

You were just arriving after a long drive through mountains and valleys and you were just ready to find a pillow for your head. You shooed your assistant away and lugged your heavy pink suitcase out of the trunk.

Then you look up and there he is, the man who broke your best friend's heart...Trevor the Menace.
